

Adoption Application

This application is to help determine if the proposed adoption is in the best interest of both the pet and your family. The adoption includes the signing of a legal and binding contract. The ultimate purpose of this application is to find the best possible home for our pets. Your new pet will be completely dependent on you for his/her health, happiness and love. The signed contract is our written agreement of the terms and conditions under which one of our pets is given into your care. St. Augustine Humane Society reserves the right to refuse any adoption that is deemed an inappropriate match. Applications should be completed by the head of household.
